

Capability Statement (July 2008) Property Maintenance Services & Equipment Sales

Organization Name: HB Equipment Company
Company Founder / President: Harold J. Barker
NAICS: 238990 Special Trade Contractors

What is the HB Equipment mission?

To provide property owners with maintenance services and material handling equipment at competitive prices while providing outstanding customer service

How do we accomplish our mission?

We provide free estimates on all property maintenance services based upon one-time or regular monthly schedule. For sales, we offer pricing on new and used equipment. Due to our extensive network of suppliers, most equipment is delivered within 48 hours.

Who are we? / What do we do?

HB Equipment Company was founded in 1989 in Houston, Texas. We provide property owners with general contract maintenance services and materials handling products / equipment. We serve small business owners and corporations.

Property maintenance services we provide:

- Power washing – commercial buildings, pavement
- Parking lot traffic striping / signage to ADA standards
- Carpentry / maintenance repairs / painting
- Make-ready building interior / exterior repairs including lawn services

Equipment distributors for: Interlake, Amerack and Lyon. Our experienced and professional sales staff can help design an efficient facility computerized (CAD) layout. We specialize in new and used commercial storage / packaging equipment sales:

- Pallet racks / pallet trucks
- Cantilever or mezzanine systems
- Shelving / wide span storage racks
- Hand trucks / carts
- Steel / Poly strapping materials and stretch wrap
- Wide span storage racks
- Wire partitions
- Work benches / lockers
- Conveyors / expandable and portable
